Summer often means cleaning out the garage and we've done just that! We're bringing out our 20oz steins from previous years. These make great collectables and great mugs for your bar at home! Until our stock is gone we will be running a stein special on Sundays only. Buy a Stein of Beer for \$8.00! The stein is yours to keep! Refills are \$6.00 OR add to your collection and buy another Stein of Beer for \$8.00. A Sunday Funday doesn't get much better than that!
