

Black Friday Buzz

Start Date: 11/29/2019

End Date: 11/29/2019

Black Friday Taproom hours are 11:00am - 12:00am

We've kegged just a little something to help you recover from a full day of family and of course the shopping extravaganza you'll have been on since midnight.

You're going to need a pint of our Black Friday Buzz. We took our popular porter, that is rich in maple syrup and pecan flavors and infused it with Costa Rican Coffee!

More Black Friday specials will be posted in the Facebook event .
